

Message from our Pastor

June, 2019

Dear Parents,

While most of us are gearing up for vacation mode, it is not too early to be thinking of our Parish Religious Education Program (P.R.E.P.) in September.

When you had your children baptized, you heard the priest say, "You are the first teachers of your children in the ways of faith. May you also be the best of teachers, bearing witness to the faith by what you say and do." We see our role as providing auxiliary help or building on what you provide at home by word and example in introducing your children to our faith in God.

It is important to see our Religious Education Program as a continuation from kindergarten through to grade seven. If a child misses one year in the program, then he/she misses out on a whole segment of the curriculum that will not be repeated in another year. We encourage you to be conscientious about having your child(ren) attend each year, not just those years when specific sacraments are celebrated.

We have a wonderful cadre of volunteers who are happy to share their faith with your youngsters and to help you in your role as prime educators of your children. A special welcome to all newcomers, either to the parish or to this program.

"May God, who has begun the good work in you, bring it to fulfillment in the day of Jesus Christ the Lord." Philippians 1.6
