

JK Class

Having fun, learning, and making friends

Busy Lil' Saints

Outdoor Fun!

Hello Lil' Saints Families

Could you believe it's February already? It's a reminder that Spring is just around the corner as the day gets longer and the weather gets warmer. February is a short month but it promises to be a very busy one for all of us.

January went by so quickly, the cold weather and snow days were a surprise and sure threw most of us off! However, it was perfect for our ice and snow theme. The children talked about how much they enjoyed playing with the snow, making snowballs, and snow angels. We are so DONE with snow and are now ready for spring!

Sacred Heart School will be hosting an open house on Thursday, February 8th. This is a good opportunity for everyone to check out the school. All preschoolers are invited to attend "Ready, Set Learn" presentation by the two kindergarten teachers at Sacred Heart. It will be in room #100 at 5:30 PM. Lil' Saints will also be hosting an open house on the same day and time as the school. Mrs. Lock will be available to take any of your friends and family who might be interested in registering for a tour and answer questions about our program and the exciting changes that are coming for Lil' Saints!

Valentine's Day Celebration

Being a good friend and being kind to one another have always been part of our values here at Lil' Saints. We will be focusing more on friendship and how to be a good friend as Valentine's Day approaches. Friendship activities for preschoolers is important for strong social growth. Starting from the first day of preschool, we try to always include friendship activities in our day.

We will be celebrating Valentine's Day on Tuesday and Wednesday, February 13 and 14th. The children are welcome to bring Valentine cards or small pre bagged treats to give out to their preschool friends. There are 20 children in each class. We ask that you leave the "to" part blank or just write, "to my friend" instead of writing individual kid's names. This will make distribution so much easier! You can help your child print their names on the cards, this will be a good practice for them as most of them are now able to write their names!

Dinosaurs and Dragons, Oh My!

Dinosaurs maybe extinct, but the children's interest in them is definitely not. It is always a subject that they never get tired of. Preschoolers are always interested in this larger than life creatures! We will learn about dinosaur sizes, what they ate, where they lived and other fun facts. The little palaeontologist in our JK class will have a wild, roaring and stomping time during our dinosaur month!

We will also be celebrating Chinese New Year as we welcome the year of the golden dragon. It will be a fun and exiting month at Lil' Saints!

HAPPY BIRTHDAY TO:

February Birthdays: Oskar, Janina and Nash

March Birthdays: Albee, Jayden M, Nate and Ria
