

JK Class

Having fun, learning, and making friends

Hello Lil' Saints Families

It's hard to believe that this school year is now coming to an end. It has been a great year. Thank you for entrusting us with your children. We enjoyed watching them learn and grow into independent boys and girls who are now ready for kindergarten!

We had another busy month at Lil' Saints. Our Mother's Day tea was a great success. The children were so excited to come together with their moms and shower them with love. We hope that our Moms and grandmas had as much fun as we did!

Our busy JK class has been enjoying extended outdoor time, with garden play being the highlight of their day! Sand and water activities continue to captivate the children's attention, inspiring many imaginative and cooperative games. Additionally, most of the children can now print their own names and recognize their classmates' names. The free art table and building area remains to be the most popular spots in the classroom, as the children are eager to create and practice the various skills they have learned.

Busy Lil' Saints!

Upcoming Events

Sports Day/BBQ- Tuesday, June 11, 9:30-12:30

There will be relay games, a bouncy castle, face painting and BBQ lunch (by donation) for everyone. June 10 & 11 are Pro D days for Sacred Heart school (June 10, only Pro D for Lil' Saints.) Older siblings are welcome to come and help us with face painting and relay games. Regular classes will not be in session. A detailed email about this event will be sent out before the event.

JK Class Farewell and Graduation Evening, Thursday June 20, 6:30pm-8:00pm

Parents are invited to join us for desserts and refreshments. We will have a special ceremony to celebrate yet another milestone for the children as they prepare to enter a new chapter of their lives. **Classes will be dismissed at 12:45** that day to allow the teachers to set up and prepare for the event.

Year End Picnic at Diefenbaker Park, Friday June 21, 10-1:00

We will be going to Diefenbaker Park for a potluck picnic to celebrate another successful year at Lil' Saints. This will also be the **LAST DAY** for us this school year!

Summer Time Suggestions

Some of the children have formed special bonds and friendships with one another. We hope these friendships continue beyond their preschool days. Organizing playdates and meeting at parks are excellent ways to keep the children engaged and provide them with valuable social time with their friends!

HAPPY BIRTHDAY TO:

June- Jackson, Olivia

July- Jayden V.

August- Desmond
