

Preschool Class

Having fun, learning, and making friends

Hello Lil' Saints Families

It's hard to believe that this school year is coming to an end. It has been a wonderful year. Thank you for entrusting us with your children. We enjoyed watching them learn and grow and hope to see them back next school year!

We had another busy month at Lil' Saints. Our Mother's Day tea was a great success, the children were excited to come together with their moms and shower them with love. A big thank you to our Lil' Saints moms and grandmas for joining us at this very special event. The magician, Great Gordini, did a fantastic job entertaining the children—most of them were captivated for almost 45 minutes! We hope you had as much fun as we did.

Lil' Saints would like to extend a big "Thank You" for supporting our Walkathon! It was one of our most successful events. The children enjoyed walking in smaller groups with their preschool friends and had a blast with the bouncy castle and all the treats. The picnic in our garden was a perfect way to wrap up such a beautiful day. As some of the kids said, it was the best day ever!
